1. What do you appreciate most about living in America?
2. Are there ways in which you think our country is headed in the wrong direction? If so, in what ways?
3. How do you feel about our deep political divisions and the impact they are having on us as people and as a nation?"
4. What do you think needs to happen for us to heal the divides in our country and work together more effectively?
5. What specific actions can individuals, candidates, and members of the media take to help create a more positive tone in this year's election?
